Board Retreat

Members of the SCP Board of Directors gathered for an afternoon retreat on Sunday October 17, 2004. Those in attendance discussed plans and "things to do" for the 2004-2005 Theater Season. A constant theme idling in the background of the conversation was -- What can we do to: lower/better manage costs, improve over-all patron experience and improve theater safety for everyone (both emotional as well as physical safety).

Cast Members donned costumes and smiles as they greeted shoppers at the grocery check-out and shared over 400 informational flyers about the upcoming musical production!
